

# Château du Bois de la Garde

## Red

### APPELLATION

Côtes-du-Rhône Villages

### SURFACE

69 ha (160 acres), 2 ha for this cuvée

### ASPECT

South-West

### AVERAGE AGE OF VINEYARD

60 years old

### PRODUCTION

6.600 bottles (550 cases)

### SOIL

Similar to the neighbouring soil of Châteauneuf-du-Pape, it consists on pebbles which store heat in the daytime and restore it to the vinestocks in the night-time. Red-clay subsoil.

### GRAPE VARIETIES

• 60% Grenache • 40% Syrah

### VINIFICATION/AGING

- Traditional vinification in stainless-steel tanks
- An average three weeks vatting time
- Aging of 12 months in concrete tanks and 600 liters barrels

### CHARACTER

This Côtes du Rhône Villages is characterised by very strong aromas of red fruits and liquorice. It combines the freshness of the Côtes du Rhône and the structure of a Châteauneuf-du-Pape. Potential of aging: 8 to 10 years

### ACCOMPANIMENT

Fruity and full-bodied, this wine goes well with grilled and roasted meat flavoured with thyme and rosemary. It will enhance its aromas of Provençal herbs.
